

Adding to 20 - crossword [1]

Name:

Fill in the blanks in the crossword puzzle to get true equality.

This image shows a large, complex crossword puzzle grid for addition equations. The grid consists of numerous boxes of varying sizes, some containing numbers and operators (+ or =). The numbers range from 1 to 20. A prominent feature is a large box in the center containing a large 'X'. Other notable elements include a 2x2 box in the top left with '7' and '=', and a 3x3 box in the middle left with '11' and '+'. The grid is composed of many smaller boxes, some of which overlap or are part of larger structures. The overall layout is intricate and requires careful solving.
